Sir, I have the honour to enclose herewith
in extracts from the audit notes on the
Elementary Education Fund Accounts
of this Taluk Board for the years 1925-26
and 1926-27 in respect of the abolition
of school fees in certain elementary

2. In the year 1925-26, school fees were not collected in one Koteswar school for May 1925 and in one Koni school for July 1925 under the orders of the Taluk Board for the reason that the classes had begun from the middle of the month. Again the fees were not collected in the Aloor and Hardally-Mandally schools from July 1925, in the Khambadaknoi school from August 1925 and in the Trashi school for March 1926, as the Taluk Board totally exempted these schools from the levy of fees, in consideration of the extreme poverty of the pupils. The exact amount of fee income thus foregone in the year is Rs 35-6-0. (in 1925-26)

3. In the year 1926-27, out of 87 Elementary schools, fees from 62 schools i.e. 8 Mahomedan, 3 girls, and 51 other schools were abolished by the Taluk Board from the month of October 1926. The levy of school fees was exempted in girls schools so that female education may progress and it was exempted in Mahomedan schools in consideration of the fact that Mahomedans are very backward in education. Most of the other

Schools in which the fees were abolished are those opened out of Government²⁴ subsidies. The object of Government to sanction subsidies for the opening of new Elementary schools being to accelerate the removal of illiteracy in backward villages, if fees were to be collected, in the new schools, the attendance in these schools will not improve and the very object of Government will be frustrated. Hence the Board has made education free in case of all the schools opened out of Government subsidy except 3 schools.

4. Rule 73 (iii) of the Appendix to G.O. No 1212 Law (Education) dated 24-7-24 requires that an equal contribution of the exact amount of fee income foregone should be made from the General Account. But this Board could not pay the contribution owing to the paucity of funds.

5. The income of this Taluk Board in respect of 'land cess' which is the chief source of revenue under General Account is comparatively less than that of the neighbouring Taluk Boards of Udipi, Mangalore and Kasargod owing to the fact that most of the area of this Taluk Board is covered with

forests and the board derives no income from forest revenue. Further the income from Companies and Profession taxes also is less

6. On account of deficit in the budget, Government in their order no Mis 1212 L & M dated 1st April 1927, have sanctioned a compassionate grant of Rs 2310-00 for the current year 1927-28 to wipe off the deficit in the General Fund of the Board

7. Under these circumstances this Board is quite unable to contribute from General Funds to the Elementary Education Fund towards the loss of fee income.

5. When the matter was placed before the Taluk Board, the Board has resolved that Government should be addressed in the matter. A copy of the Taluk Board resolution in the matter is herein enclosed.

9. I therefore request that you will be so good as to move Government to exempt this Taluk Board from payment of a sum equal to the fee income foregone in the years 1925-26 and 1926-27 to the credit of the Elementary Education Fund and also to waive such contribution for the current year 1927-28 and onwards.

I have the honour to be
your most ^{Sir} obedient servant

Under the orders in G.O. No. 1761, Law (Gen),
